

## ***Inc.* Magazine Unveils Its Annual List of America's Fastest-Growing Private Companies—the Inc. 5000**

**For the 3rd Time, Digital Boardwalk, Inc Appears on the Inc. 5000, Ranking No. 4465 With Three-Year Revenue Growth of 72.62 Percent**

**New York, August 12, 2020** – *Inc.* magazine today revealed that Digital Boardwalk, Inc is No. 4465 on its annual Inc. 5000 list, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its independent small businesses. Intuit, Zappos, Under Armour, Microsoft, Patagonia, and many other well-known names gained their first national exposure as honorees on the Inc. 5000.

“2020 has presented new unprecedented challenges for everyone with the COVID-19 pandemic,” said Tim Shoop, CEO, Digital Boardwalk. “It has transformed the way we live, work, and communicate with our employees and clients. I am both humbled and optimistic that all businesses that can adapt and embrace change will be stronger and more resilient post-pandemic. I am happy to have once again made the prestigious Inc5000 list, which is feedback that we have built a resilient and client-focused business model. But at the same time, my heart goes out to all of the small businesses that struggled or disappeared this year.”

Not only have the companies on the 2020 Inc. 5000 been very competitive within their markets, but the list as a whole shows staggering growth compared with prior lists as well. The 2020 Inc. 5000 achieved an incredible three-year average growth of over 500 percent, and a median rate of 165 percent. The Inc. 5000's aggregate revenue was \$209 billion in 2019, accounting for over 1 million jobs over the past three years.

Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at [www.inc.com/inc5000](http://www.inc.com/inc5000). The top 500 companies are also being featured in the September issue of *Inc.*, available on newsstands August 12.

“The companies on this year’s Inc. 5000 come from nearly every realm of business,” says *Inc.* editor-in-chief Scott Omelianuk. “From health and software to media and hospitality, the 2020 list proves that no matter the sector, incredible growth is based on the foundations of tenacity and opportunism.”

The annual Inc. 5000 event honoring the companies on the list will be held virtually from October 23 to 27, 2020. As always, speakers will include some of the greatest innovators and business leaders of our generation.
